OUR STORY

In 1965 Texas Bar-B-Q was about to make history in Dallas, thanks to Charles Marshall.

Charles opened the first Marshall's Bar-B-Q in downtown Dallas, which became quite a mark in the restaurant industry. He & his wife Deloris had their hands full. Lines out the door became common place. His mouth watering slow smoked brisket & homemade sides were a hit. Charles only used the best ingredients.

His recipes & attention to detail have been passed along to the next generation of Marshalls & wouldn't you know even after 50+ years, lines out the door are still common place.

So we want to welcome you to our restaurant. Thank you so much for stopping by. If there is anything we can do for you please don't hesitate to ask.
